
Fantastic Painters Watney Simon Martins Press

mantegna and da vinci to magritte and daii - muse.jhu - ponder. fantastic art (new york: ballantine, 1973) suffers from the defects of other books edited by david larkin: lack of schol-arly apparatus, indifferent color reproduc-tion, and in this case, detail-obliterating image reduction. simon watney's fantastic painters (new york: st. martin's press, 1977) is a superior effort; but as in
