## Letters Verses.between Years 1829 1881 Edited

**giunta conducts chopin, shostakovich & les prÉludes by dr ...** - years, tried his newly acquired skill in an overture called the four elements to preface the quartet of vocal compositions set to autran's verses. between 1852 and 1854, liszt completely recomposed the overture as a symphonic poem, and presented it in 1854 under the title les préludes, which he borrowed from a meditative
